

Jessy M. Garza Memorial Scholarship

This scholarship is given to honor the memory of my father, Jessy M. Garza. He was a hardworking man that loved his family, friends, and most of all serving God. He always taught us that education was a very important thing and could open so many doors for us. In August of 2008 he was able to see me enter my freshmen year at TLU. In November of that same year he was killed in a tragic accident. We established this scholarship to help other students who want to achieve a higher education because we know that my father would have loved to help other families. He knew how expensive college is and was so grateful for the scholarships I received that helped me pay for school. It is he that taught me that when we receive blessings, we must also give back.

We want to choose a high school senior in good academic standing, extracurricular activities, and who truly wishes to continue their education and attend college.
