2010
Leslie Michelle Arredondo
Memorial Scholarship

This scholarship award is given to honor the memory of a young girl who was taken from us in a tragic accident. Leslie was friendly and outgoing. She enjoyed her young life with friends, cheerleading, her pets and especially, her parents. She took education seriously, and although she had not yet decided on a career, she knew that a college education was important to her and her family. Her tragic death made us realize how short life is and reminded us to treasure those who are dear to us.

Leslie's parents want to choose a graduating senior who participates in school events, who is a good student and has a true interest in furthering an education. This scholarship honors Leslie Arredondo by giving others a chance to continue their education.
